*Plymouth Church* is partnering with *The Bite of Union Square* to invite all who wish to help our downtown homeless women and children. When you bring items such as toothbrushes, toothpaste (personal size), soap and socks (all sizes) you are giving directly to those in need.

All collected items go to Mary's Place, whose mission is to 'empower homeless women and children to reclaim their lives'. So stop by, enjoy everything that *The Bite of Union Square* has to offer and help US help others!
